

txConnect – A Parent's View

txConnect

- Is a web-based application designed to allow parents access to student information entered in the txGradebook.
- Utilizes a replicated database populated with student information from the txGradebook.
- Uses automated services to update the database and generate alerts regarding grades and/or attendance.
- Supports the use of a single parent account to access students attending multiple campuses within the district.
- Help topics are available for each section of the application.

Summary Page

The screenshot shows the LxConnect interface. At the top, there is a navigation bar with 'Summary' selected, and other options like 'Attendance', 'Grades', 'Assignments', 'Alerts', 'My Account', and 'Logout'. On the left, a sidebar contains a 'Students' menu with two entries: 'LUCY ADDOCKS' and 'WARREN M. ANDERSON' (with a link for '3 new alerts'). A yellow 'Help' button is in the top right. The main content area is titled 'Summary' and specifies 'for: LUCY ADDOCKS at LAKE VIEW ELEMENTARY'. It includes sections for 'Campus Notes' (with a link for 'Campus Information Notes') and 'Class Schedule' (with a link for 'Today's Attendance: Present as of 5:08PM 4/8/08'). A table lists four classes: Language Arts 1 (96), Mathematics 1 (89), Soc Studies 1, and Science 1, all taught by Holly Bellows. At the bottom, there are language options for 'English' and 'español'. A dark brown callout box on the right contains the text: 'In the event that a parent has multiple children attending multiple campuses, the parent may toggle between the students using the **Students** menu on the left.'
